Morton Road and M-52 Supervisor Lantis has reached out to MDOT about the number of accidents on that corner. MDOT said that anytime there is an accident they do an investigation on the road. MDOT said that they can't do rumble stripes because there are residents within a quarter mile from that location. They can not do blinking lights because of the light pollution. What they could do is have more

reflective signs and or put down some reflective tape. The investigation will take a few months and those results that MDOT will see what they can do for that location.
