Instructions for completing an application

GENERAL: Plumbing work shall not be started until the application for permit has been filed with the Stockbridge Village Building Department. All work shall conform to the Plumbing Code. **No work shall be concealed until it has been inspected.** Contact the plumbing inspector directly and provide as much advance notice as possible when ready for an inspection. The inspector will need the job location and permit number.

EXPIRATION OF PERMIT: A permit remains valid as long as work is progressing and inspections are requested and conducted within the first year of issuance. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. **A PERMIT WILL BE CANCELLED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHIN SIX MONTHS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION.**

WHERE TO SUBMIT: The Stockbridge Village Building Department is responsible for enforcement of The State Plumbing Code for Stockbridge Village. The Stockbridge Village Building Department is located at 115 E. Elizageth in downtown Stockbridge. Office hours are 8 a.m. to 5 p.m., Monday through Friday. Please feel free to call (517) 851-7435 for questions or concerns.

The Stockbridge Village Building Department does not discriminate against any individual or group because of race, age, national origin, color, marital status, handicap or political beliefs.
